

VISION HOSPITALITY GROUP, INC. OPENS THE HAMPTON INN & SUITES CHATTANOOGA DOWNTOWN TODAY: OPENING THE DOORWAY TO BRING THREE NEW HAMPTON INN DEVELOPMENTS TO THE LOCAL AREA

Chattanooga, Tennessee, April 12th, 2011 – Vision Hospitality Group, Inc. is proud to announce the opening of the Hampton Inn & Suites Chattanooga Downtown today. The six-story \$18.2 million dollar hotel is located at the corner of 4th and Chestnut Street, formerly home to the Regional History Museum. The hotel will feature 134 rooms and a 130 space parking structure.

“The Hampton Inn & Suites Chattanooga Downtown offers modern lifestyle-oriented services and the high-tech amenities that today’s business and leisure travelers desire,” says Mitch Patel, President & CEO of Vision Hospitality Group, Inc. “This will strengthen and compliment Vision’s current portfolio of Hilton branded hotels in the Chattanooga Downtown area; including the Hilton Garden Inn and Doubletree Hotel by Hilton.” “We are equally excited about our pursuit of LEED Silver certification, as it will be one of the first Hampton Inns in the country with that designation.”

Hampton Inn & Suites is a casual yet upscale hotel that caters to both leisure and business travelers every need. In addition to 134 well-appointed, modern guestrooms and suites, the hotel features a quiet urban courtyard and an indoor/outdoor resort-style saltwater pool.

This hotel will be the first Hampton Inn & Suites in Vision’s portfolio. Vision Hospitality Group, Inc. has three other Hampton Inns in development in the Chattanooga area: Hampton Inn & Suites Chattanooga Hamilton Place, Hampton Inn Cleveland and Hampton Inn Kimball. “We have continued faith in the growth of this area and the Hampton Inn brand”, said Mitch Patel earlier today. The three properties are scheduled to break ground within the next 3-12 months. Considering the challenging economic climate, this serves as testament to the development acumen and robust management that exists at Vision Hospitality Group, Inc.
